

Holy Land Institute for Deaf and Deaf-Blind students in Salt, Jordan (HLID)

Please join us in praying for this project over Lent:

Dear LORD our Savior; we ask you to remember all who provide care, rehabilitation, education and training for persons who are Deaf and Deaf blind, or have an everlasting disability. Remember those who direct, manage or supervise them and have other duties to carry the responsibility for making the Holy Land Institute for the Deaf (HLID) a place of healing, peace and sacred hope. Call to their minds the obligation to serve those under their charge with patience, gentleness, love and compassion, and give them a happy memory of Christ's example in looking after those who are lonely, sick and unhappy.

DEAR LORD; open our minds to the dignity of man and the beauty of thy world, and grant us fullness of life that is void of fear. Heal our brokenness, so we may be at peace within ourselves and in love and charity with our fellows.

LORD; we pray for those among us who have a disability. Help them to use their pain as sails in the wind of your Holy Spirit. Help them and us proclaim your wonderful Kingdom, and you, Lord of the cross, as the glorious King.

Forgive us those things we have done wrong to ourselves, to others and to you; be patient with us as we struggle to do those things we should; and fill us with your holy and life-giving spirit. AMEN
