

A prayer for Princess Basma for Children with Disabilities

The God of all grace, who hath called us unto his eternal glory by Christ Jesus, we ask you to watch over our Centre, our children with disabilities and our staff.

- For the children at the Princess Basma Centre for the Disabled that God continues to work through their lives towards a more hopeful future of healing and integration. Guide your people to spread peace, real peace in the Land of Peace, let them understand that without love and forgiveness nothing can be achieved. To him be the glory and dominion forever and ever.
- We also pray for the staff as they continue to serve the children despite the many challenges in Jerusalem and the Palestinian territories. Give us the strength to fulfil our mission to continue providing all children with disabilities children with a quality health services and inclusive education, to enable the children to participate and have influence, have hope and opportunities.
- For friends, partners and donors of the Episcopal Dioceses Of Jerusalem around the world who have prayed, stood by and financially supported to the ministry continuously and faithfully. We pray especially for the staff and leadership of Anglican Missions of New Zealand that God gives them wisdom, strength and protection. We pray that in 2020 the bridges of partnership grow stronger for service of the poorest and the most vulnerable.
