A place of pilgrimage and transformation through prayer, study, reflection and discovery

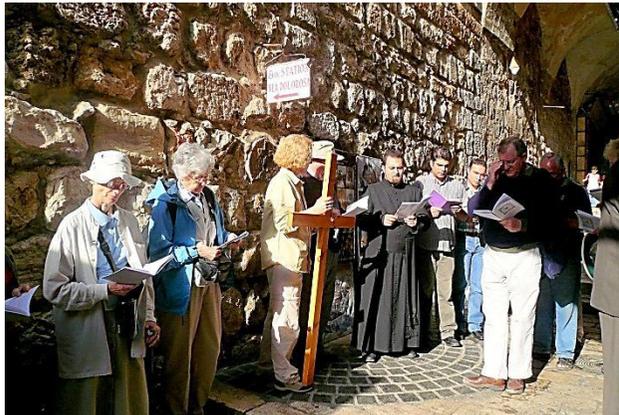

We invite you to come as our guests to experience the Holy Land and to walk in the steps of Jesus.

The Episcopal Diocese of Jerusalem
St. George's College

Education

St. George's College, an institution of the Diocese of Jerusalem, is a centre for continuing education located on the grounds of the Anglican Cathedral. We are just a short walk from the Old City. We offer pilgrimages throughout the year. The College is open to anyone with a serious interest in the rich heritage of the Holy Land.

The Way of the Cross

The "Palestine of Jesus" course visits key sites of Jesus' ministry including the Old City of Jerusalem, the Mount of Olives, Bethlehem, Nazareth, Capernaum and the Sea of Galilee.

The College also offers courses on St. Paul and St. John in Turkey along with Desert Spirituality in Egypt and Jordan. An annual Youth Course takes place in the summer.

Hospitality

Our pilgrims come from the U.S., Australia, New Zealand, Canada, England, and Africa. We welcome all Christian denominations and all provinces of the Anglican Communion.

Accommodations

Our facility includes modern en suite guest rooms, a 20,000 volume library, lecture room, chapel, common room and a relaxing rooftop garden.

We combine academic study, spirituality and travel as you visit holy places, study the Bible, and meet local Christians, Jews and Muslims. Trained staff and expert leaders will enhance your understanding of history, refresh the well-springs of your faith and give you a new perspective on scripture.

For groups and individuals
For pilgrims and scholars
For seekers and finders
For clergy and parishes
St. George's College is for you
